

**NOTICE OF PUBLIC HEARING
TOWN OF STOCKTON COMPREHENSIVE PLAN/FUTURE
LAND USE MAP AND ZONING ORDINANCE AMENDMENT**

PLEASE TAKE NOTICE that the Town Board of the Town of Stockton, Portage County, Wisconsin, will be holding a Public Hearing on a proposed amendment to its Comprehensive Plan/Future Land Use Map on August 14th, 2017 at 6:30 pm at the Town of Stockton Town Hall, 7252 6th Street, Custer, WI, 54423.

The Town of Stockton Plan Commission met July 12th, 2017 to amend the Town of Stockton Comprehensive Plan to consider a change to the land use designation on Future Land Use Map 8.3 for Parcel # 034-23-0905-08.04 from R-1 Residential Use to L3 Limited Agriculture/Mixed Use. The Plan Commission will forward their approval recommendation to the Town Board.

This change in land use designation is necessary to allow for the property owner to request a rezoning of the same parcel located at 6900 Red Fox Trail, Stevens Point, WI 54482 from R-1 Residential Use to L3 Limited Agriculture/Mixed Use, allowing the current or future owner to have home occupation and commercial stables and riding arenas. The Stockton Plan Commission also approved this request and will forward their approval recommendation to the Stockton Town Board. All Plan Commission recommendations will be on the agenda of the Stockton Town Board meeting on Monday, August 14th, 2017.
