

**Town of Stockton Park Committee Meeting  
Agenda  
September 6, 2016, 6:30 pm Tuesday**

**Town of Stockton Municipal Building**

7252 6<sup>th</sup> St. Custer, WI 54423

Tuesday September 6, 2016 **6:30 PM**

1. Meeting called to order
2. What has been done since our last meeting on August 10, 2016
  - Sign update – been approved by Town Board and ordered to be completed in October
  - Wildflowers
  -
3. What needs to be done
  - Geo-caching – Town Board asked for a decision for their Sept. 12<sup>th</sup> meeting on this topic.  
Tom Stack requesting using Geo-caching, at the Town of Stockton Park.  
The Town Board

asked that the Park Committee investigate it further. The following quote is from the Town Board's unapproved minutes of the Aug. 22<sup>nd</sup> meeting "Mr. Tom Stack came forward to address the Board regarding the placement of Geo-Caching items in the Town of Stockton Park. He further explained the process and

---

---

showed the Board Members examples of items that he would like to place within the park. Shawn Stack also addressed the Board to further explain the Geo-Caching process as well. Supervisor Dodge stated that since the Park Committee has been so instrumental in the creation and implementation of the existing park that she would prefer that Mr. Stack meet with the Park Committee to discuss. The next Park Committee meeting will be held on September 6<sup>th</sup>, 2016 at 6:30 pm.”

- Plan for the Sept. 10 park get together.
    - ✓ Time
    - ✓ Where
